Bulwark cool coats and chemicals was started in the name of Bulwark chemicals in 1999 at Malaysia and was supplying raw materials to construction chemicals manufacturing companies then in the year of 2002 the company entered in to manufacturing .

About Us

Bulwark cool coats and chemicals was started in the name of **Bulwark chemicals in 1999 at Malaysia** and was supplying raw materials to construction chemicals manufacturing companies then in the year of 2002 the company entered in to manufacturing some specialty coating system especially Thermal insulation coatings, water proofing and construction chemicals for domestic purpose.

In the year of 2006 this company started to export their products from **MALAYSIA** to many countries that including to India.

In the year of 2015 the company started its manufacturing plant in India by having tie-up with Indian entrepreneurs who has 20 years experience in the same construction chemicals industry then in the year of 2019 incorporated as **Bulwark cool coats and chemicals private limited.**

Now we bulwark manufacturing in India (Chennai) with **Malaysian Technical collaboration** and exporting the construction chemicals through our sister concern called M/s Easy ship International to various country especially to Vietnam, Malaysia, Dubai, Oman.

We bulwark got a various certification from both state and central government like **ISO 9001:2015, GMP, MSME**, and manufacturing green build products & provide supports to bring down global warming by manufacturing & supplying heat proof & heat reflective coats & chemicals.
